

# Celebrate Your Independence Today

Yesterday you were out to Beautiful Owen Park to celebrate National Independence Day. You were delighted with the Park's wonderful scenery and coolness.

## Park Hill Addition is an Extension to the West of Beautiful Owen Park

It is a notable fact that no other residential district in or around Tulsa offers a more healthy, cool or economical homesite, and then you can get a larger piece of property for your home at much less than the cost of the cheapest lot on most any part of the city. With the street car service of the O. U. T. line and the Tulsa Street Railway you can go and come in ten minutes; and further, you can feel absolutely safe that your investment is sound and will grow in value.

## Park Hill Addition is Now in the City

Park Hill Addition has been taken into the city and this will give you all the protection from fire, police, etc., and gives your home an added value right at the start. Paving, Sewer, Water, Electricity and Gas are now being installed.

## Park Hill Addition is Right on the New 14-Mile Boulevard

Yesterday marked the starting of the Beautiful 14 Mile Boulevard. This great drive starts and extends clear through Park Hill Addition.

## If You are in Doubt

If you are in doubt in your own mind about the wisdom of buying a homesite in Park Hill Addition, ask any business man whom you know or any of your friends what they think about it. Hear what they say; also ask them, if you wish, about other suburbs and compare the good things you hear about Park Hill Addition with what you hear about the others.

## Come Out Today and Look Park Hill Addition Over —The Wise Man is the One Who Grasps the Select of the Lots Offered—

Park Hill is bound to become Tulsa's most elite residential district, because its location and natural features are so favorable to the man who wishes a quiet home within easy reach of the business center. A new driveway entrance through Owen Park to Park Hill Addition was opened yesterday. For full information see,

THE NIGHT OF THE MASQUERADE. My MRS. M. R. DILLINGER. "The night of the masquerade ball," it was also the night of my first social defeat. I had not as yet found my way in society, owing to the plainness of my beautiful, proud mother. I was not to have my coming-out party until my older sister, Grindoline, was safely launched on her career as a society girl. It was going to be a masked ball, after a great deal of coaxing by both my sister and myself, she had consented that I might take part in the grand affair. I had to hold on to this memorable night.
